1.2 The headings are included for convenience only and shall not affect the interpretation or construction of these terms and conditions. References to a Condition are to a condition of these terms and conditions.

2. MAKING THE AGREEMENT

2.1 These Conditions shall apply to and form part of every contract between the Seller and the Buyer for the sale and purchase of the Goods. All quotations are made and all orders are accepted on and subject to these Conditions. No terms or conditions specified by the Buyer shall apply or have effect.

2.2 Any quotations or estimates made by the Seller constitute an invitation to treat and shall remain open for a period of 60 days and a contract will only be formed when the Seller has issued an Order confirmation of the Buyer's order.

3. PRICE AND PAYMENT

3.1 The Price is calculated on an ex-works basis (as set out in ICC Incoterms 1990) and excludes the cost of packaging, carriage, insurance and unloading. The Price and all other sums due under the Agreement are exclusive of value added tax (or any successor tax) which will be paid by the Buyer where applicable.

3.2 The Seller reserves the right to increase the Price to recover any additional costs arising where the Buyer has requested any addition, variation or modification to the order or the Agreement (including without limitation, as to quantity, quality, performance or specification of the Goods).

3.3 Payment is due in full (without any right of set-off, deduction or withholding whatsoever) by the date(s) set out in the Agreement. Final payment of the balance of all sums due under the Agreement shall be made no later than 30 days' after the final invoice rendered in respect of the Goods. Time for payment shall be of the essence of the Agreement.

3.4 Interest shall be payable by the Buyer on any money which is not paid by it to the Seller under the Agreement by the due date for its payment. Such interest shall accrue and be calculated on a daily basis, both before and after any judgment, at the rate of two (2) per cent above the base rate from time to time of Fortis Bank, for the period from the due date for its payment until the date on which 11 is actually paid. It shall be compounded monthly and payable on demand.

3.5 If the Buyer fails to make payment of the full amount due on the relevant payment date, the Seller reserves the right in its absolute discretion, and without prejudice to any of its other rights or remedies, to suspend all further deliveries under the Agreement or any other agreement with the Buyer so long as the default continues and/or to charge the Buyer for costs incurred in respect of Goods in the course of manufacture or ready for delivery on the date of such default or suspension.

4. DELIVERY

4.1 The Seller shall place the Goods at the Buyers disposal and the Buyer shall take delivery of the Goods at the Sellers premises. The Seller agrees if requested by the Buyer to arrange as the Buyers agent at the Buyer's expense for the carriage (including loading and unloading) and/or insurance of the Goods. The time of delivery shall not be of the essence and the Seller shall not be responsible or liable in any way for any non-delivery or delay in such carriage, any loss of or damage to the Goods during such carriage or the act or omission (negligent or otherwise) of any third party in connection with any such carriage. Any claim for shortage (together with full details) will only be considered by the Seller if made in writing no later than three (3) days after the time of delivery as set out in Condition 4.1.

4.2 In the event of the Buyer not accepting delivery of the Goods, the Seller shall be free to store the Goods at the risk and expense of the Buyer without prejudice to the Sellers rights and remedies against the Buyer.

4.3 The Seller shall be entitled to make partial deliveries of the Goods or deliver the Goods in instalments. Each instalment, delivery or part shall constitute a separate contract and any defect or failure in one delivery will not entitle the Buyer to cancel other instalments or to terminate the Agreement.

4.4 The Buyer shall comply with all duties in respect of health, safety and other requirements and duties imposed by statute or common law in respect of the Goods, and with all information supplied by the Seller concerning the use of the Goods and the conditions to ensure that when put to that use they will be safe and without risk to health, for the period after delivery of the Goods as set out in Condition 4.1.

5. TITLE AND RISK

5.1 legal and beneficial title in the Goods shall remain with the Seller and the Buyer shall hold the Goods in a fiduciary capacity as bailee of and be fully accountable to the Seller in respect of the Goods until such time as payment in full has been received by the Seller for all the Goods delivered to the Buyer under the Agreement together with any other sums payable under this Agreement.

5.2 Notwithstanding the above, risk in the Goods shall pass to the Buyer at the time the Goods are placed at the Buyers disposal at the Seller's premises.

(c) all the Goods which are the property of the Seller shall be immediately delivered to the Seller.

5.5 The Buyer shall effect and maintain insurance of the Goods at its own expense at all times after risk in the Goods shall have passed to the Buyer until title in the Goods shall have passed under Condition 5 to their full replacement value against all risks. The Buyer hereby assigns and agrees to assign to the Seller all sums which may become due under such insurance to the extent of monies owing but not paid by the Buyer to the Seller.

5.6 The events referred to in this Condition are:

(a) if the Buyer commits any breach of its obligations under the Agreement or is a party to dishonest or fraudulent conduct in relation to the Agreement: or
